

About Otterpine

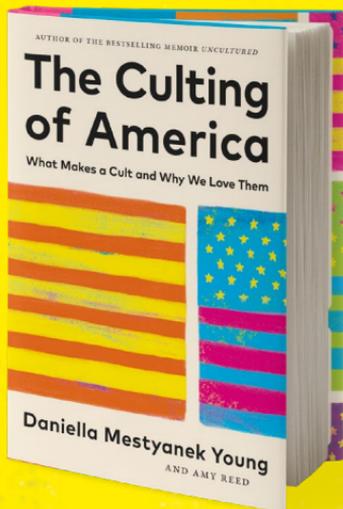

Otterpine is a full-service publishing partner for independent authors and small presses based in Asheville, North Carolina. We help authors create sustainable publishing models that reflect their values, budgets, and goals.

We bridge the gap between self-publishing and traditional publishing. From editorial and design to marketing, publishing strategy, warehousing, fulfillment, and distribution, we offer end-to-end support that is completely customized to each author's individual needs—without taking any rights or royalties.

Otterpine specializes in building thriving direct-to-consumer models that reduce reliance on Amazon and put more margin, data, and creative control in the hands of our authors. Our in-house warehouse and fulfillment team ships books directly to our readers, retail partners, and bulk buyers with as much customization and kitting as our authors need. Since 2020, Otterpine has shipped over 100,000 books for authors to over 70 countries.

Interested in stocking Otterpine titles? We love working directly with libraries and independent bookstores. Email us at team@otterpine.com for wholesale terms, review copies, signed books, or to discuss in-store events. You can also find our titles on Edelweiss and Ingram.

The Culting of America

What Makes a Cult and
Why We Love Them

Daniella Mestyanek Young
and Amy Reed

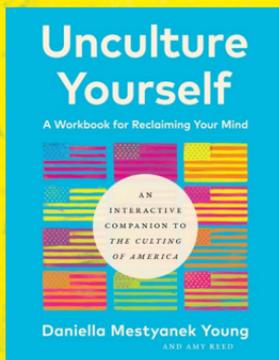

January 20, 2026

Hardcover | 978-1-955671-82-8 | \$35

Most of us think we'd never fall for a cult. We picture robes, chanting, and remote compounds. But toxic groups don't just exist on the fringe. They thrive in boardrooms, group chats, fitness classes, political

rallies, religious groups, and corporate retreats—anywhere we seek identity, purpose, and belonging. Blending gripping personal narrative, cultural critique, and deep research, *The Culting of America* introduces the cultiness spectrum: a ten-part framework that reveals how coercive group behavior shows up across all kinds of groups—from extremist movements to our most trusted institutions.

for Reclaiming Your Mind is your next step. Designed as a practical companion to the book, this interactive guide will help you unpack how cultlike dynamics show up in your own life—from workplaces to religious communities to friend groups—and begin the process of reclaiming your autonomy.

Shooting Up

A Memoir (US Edition)

Jonathan Tepper

February 19, 2026

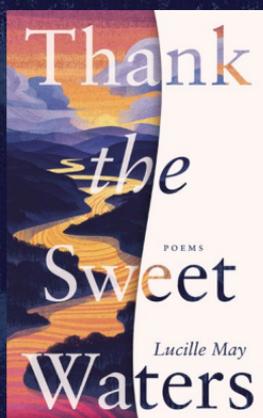

Hardcover | 978-1-964378-13-8 | \$32.95

Set against the backdrop of 1980s Madrid at the height of Europe's heroin and AIDS crises, *Shooting Up* tells the extraordinary true story of author and investor Jonathan Tepper's childhood in San Blas. The son

of missionary parents who ran a trailblazing drug-rehab center, Tepper grew up amid recovering addicts—many of whom became his brothers, mentors, and surrogate family. Among them were Raúl and Jambri, men who found faith and purpose after addiction only to succumb to the AIDS epidemic.
